INLANDERSTATE COMMERCE COMMISSION

REASSIGNMENT OF SUBLEASE dated as of June 30, 1977 (hereinafter called this Agreement), by and between FIRST SECURITY STATE BANK, not in its individual capacity but solely as Owner-Trustee (hereinafter called the Owner-Trustee) and FIRST SECURITY BANK OF UTAH, National Association, not in its individual capacity but solely as Trustee (hereinafter called the Trustee).

WHEREAS SSI Rail Corp. (hereinafter called SSI) has assigned to the Owner-Trustee certain of its rights and interests under the Sublease therein described (hereinafter called the Sublease), pursuant to a Sublease Assignment and Agreement dated as of the date hereof (hereinafter called the Assignment) between SSI and the Owner-Trustee, as collateral security for the performance of the obligations of SSI under a Lease of Railroad Equipment (hereinafter called the Lease), dated as of May 15, 1977, between SSI and the Owner-Trustee; and

WHEREAS in order to provide security for the obligations of the Owner-Trustee under an Equipment Trust Agreement (hereinafter called the Equipment Trust Agreement), dated as of May 15, 1977, between the Trustee and the Owner-Trustee, and as an inducement to the investors for which the Trustee is acting as Trustee to purchase Trust Certificates (as that term is defined in the Equipment Trust Agreement), the Owner-Trustee agrees to assign for security purposes its rights in, to and under the Assignment to the Trustee;

NOW, THEREFORE, in consideration of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Owner-Trustee hereby assigns, transfers and sets over unto the Trustee, as collateral security for the payment and performance of the Owner-Trustee's obligations under the Equipment Trust Agreement, all of the Owner-Trustee's right, title and interest, powers, privileges and other benefits under the Assignment including, without limitation, all rights to receive and collect all rentals, profits and other sums payable to or receivable by the Owner-Trustee under the Sublease pursuant to the provisions of the Assign-

ment, whether as rent, casualty payment, indemnity, liquidated damages or otherwise (such moneys being hereinafter called the Payments); provided, however, that until an Event of Default under the Equipment Trust Agreement, or any event which with notice or lapse of time or both, could constitute such an Event of Default, shall occur, it is understood that the Owner-Trustee shall be entitled to collect and receive all such Payments and to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Sublease, and to apply all Payments to which the Owner-Trustee is entitled under the Assignment to the payment of any and all of the Owner-Trustee's obligations under the Equipment Trust Agreement. In furtherance of the foregoing assignment, but subject to the foregoing provisions of this paragraph, the Owner-Trustee hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, or in the name of the Owner-Trustee or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which the Owner-Trustee is or may become entitled under the Assignment, and to enforce compliance by SSI with all the terms and provisions thereof.

2. To protect the security afforded by this Agreement, the Owner-Trustee agrees that, should the Owner-Trustee fail to make any payment or to do any act which this Agreement requires the Owner-Trustee to make or do, then the Trustee, but without obligation so to do, after first making written demand upon the Owner-Trustee and affording the Owner-Trustee a reasonable period of time within which to make such payment or do such act, but without releasing the Owner-Trustee from any obligation hereunder, may make or do the same in such manner and to such extent as the Trustee may deem necessary to protect the security provided hereby, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Trustee; and in exercising any such powers, the Trustee may pay necessary costs and expenses, employ counsel and incur and pay reasonable attorneys' fees, and the Owner-Trustee will reimburse the Trustee for such costs, expenses and fees.

3. Upon the full discharge and satisfaction of all of the Owner-Trustee's obligations under the Equipment Trust Agreement and this Agreement, all rights herein assigned to the Trustee shall terminate, and all estate, right, title and

interest of the Trustee in and to the Assignment shall revert to the Owner-Trustee.

4. The Owner-Trustee will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Trustee in order to confirm or further assure, the interests of the Trustee hereunder.

5. If an Event of Default shall occur and be continuing under the Equipment Trust Agreement, the Trustee may assign all or any of the rights assigned to it hereby or arising under the Sublease and the Assignment, including without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Trustee hereunder. The Trustee will give written notice to SSI, the Owner-Trustee and the lessee under the Sublease of any such assignment.

6. This Agreement shall be governed by the laws of the State of Utah, but the parties hereto shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective names, by officers thereunto duly authorized, and their respective seals to be affixed and duly attested, all as of the date first above written.
